about Us

COMPANY INTRODUCTION

Roma Royal is a specialized company in architecture, design, and execution of luxury construction projects in Dubai, established in 2022 as the international branch of Ab-o-Khaksazan Sepand Iranian Holding.

With more than two decades of experience in engineering, architecture, and construction, the company has built a distinguished reputation in delivering unique, premium, and high-end projects.

History

BACKGROUND

The journey of this group began in 2004, initially focusing on wood industries and interior decoration. Over time, through the expansion of technical expertise and execution experience, the business evolved into engineering services and construction.

In 2012, Ab-o-Khaksazan was officially established and professionally entered the following sectors:

- Interior and exterior architectural design
- Structural and MEP design
- Residential, commercial, and administrative project execution
- Luxury villas and premium building construction

With a strong focus on classical architecture and luxury development, the company became one of the most recognized and respected brands in Shiraz and the southern region of Iran.
